In a smoked out city, on a two wheeler cruiser, lookin'
for the Big Kahuna.

Walk through the heat and the cars, the groups and
little bars,

My ideas could not come sooner.

If I lock it up, they're gonna steal it,

If I leave it they won't come near it.

And when I get on, anywhere, I'm gonna go

Off the beaten track, where the buses don't go

Inner city cowboy, please don't take your guns to town
It's a rough city rodeo, don't let those feet touch on the
ground

Well I'm a lone rider, when I smoke, I catch my breath

I forget about the law, I don't ride north, south, east, or
west

In a smoked out city, on a two wheeler cruiser, lookin'
for the Big Kahuna.

Walk through the heat and the cars, the groups and
little bars,

My ideas could not come sooner.

Well if I lock it up, they're gonna steal it,

If I leave it they won't come near it.

And when I get on, anywhere, I'm gonna go

Off the beaten track, where the buses don't go

I feel every drop of the rain

I hear people's screams of pain

And I'm breathing, and you're breathing, the carbon
waste.

I need to keep on moving

I wanna keep on moving

In a smoked out city, on a two wheeler cruiser, lookin'
for the Big Kahuna.

Walk through the heat and the cars, the groups and
little bars,

My ideas could not come sooner.

Well if I lock it up, they're gonna steal it,

If I leave it they won't come near it.

And when I get on, anywhere, I'm gonna go
Off the beaten track, where the buses don't go

Smoked out city, I'm in a smoked out city.
Smoked out city, I'm in a smoked out city.

Well if I lock it up, they're gonna steal it,
If I leave it they just won't come near it.
And when I get on, anywhere, I'm gonna go
Off the beaten track, where the buses don't go
