tfy 634
motherfuckin' pigs comin'
knockin' at the door
at 2 am on a noise complaint
and let me tell you son, that
bitch wasn't a saint
well forced entry i'm not amused

got it all wrong -
wrongfully accused
i'm so buzzed and i'm so confused
i'm about to blow a fuse!

what the fuck
this is insane
cops just coming up here
trying to ruin our fun

gonna come try and arrest me
go fucking arrest yourself

well back to the fucking plot
looking upon the inside cops
that they had us caught
"what you guys got there
growing on the table"
look you fucking idiots its a
cactus and some basil
stupidity i cant explain
what the fuck are you doing
here what do you have to gain
i thought i told you the
first time the message is overdue
never gonna get us part two
