Skybird,  
My bird,  
We fly so high and then,  
You touch me warm and fly again.

And leave me...  
Let down,  
Earthbound.  
Left standing on the ground.  
Looking to the clouds for a trace of you.

[Chorus:]  
Heaven have you seen a sign of Skybird?  
She's somewhere high up in your blue.

You've got all the stars,  
So why'd you take my bird?  
Oh, send her home,  
I'll make her heaven too.  
[End Chorus]

One day,  
Maybe,  
You'll come to rest a while.  
And I'll be the nest you'll fly,  
Back home to.

Til then,  
Again,  
I'll watch you come and go,  
Feeling lost until the day,  
I found you.

[Repeat chorus]

Til then,  
Again,  
I'll watch you come and go,  
Feeling lost until the day,  
I found you.

[Repeat chorus 2x]

[Fade]
