Light a candle for the sinners,
Set the world on fire
Anti choice and anti girl
I am the anti flag unfurled
Anti white and anti man
I got the anti-future plan
Anti fascist, anti mod
I am the anti-music god
Anti sober, anti whore
There will never be enough of anti more
I can't believe in the things
That don't believe in me
Now it's your turn
To see misanthropy
Anti people now you've gone too far
[Here's your] antichrist superstar
Anti money, anti hate
Anti things i fucked and ate
Anti cop and anti fun
Here is an anti-president gun
Anti Satan, anti black

The anti world is on my back
Anti gay and anti dope
I am the faggot anti-pope
I can't believe in the things
That don't believe in me
Now it's your turn
To see misanthropy
Anti people now you've gone too far
Antichrist superstar
Anti people now you've gone too far
[Here's your] Antichrist superstar
This is where your faith is
Anti peace and anti life
Anti husband, anti wife
Anti song and anti me
I don't deserve a chance to be
Anti people now you've gone too far
Antichrist superstar
Anti people now you've gone too far
[Here's your] Antichrist superstar
