"A Place In The Dirt"

We are damned and we are dead
all god's children to be sent
to our perfect place in the sun
and in the dirt
There's a windshield in my heart
we are bugs so smeared and scarred
and could you stop the meat from thinking
before I swallow all of it,
could you please?
Put me in the motorcade
put me in the death parade
dress me up and take me
dress me up and make me
your dying god
angels with needles
poked through our eyes
let the ugly light
of the world in
we were no longer blind
we were no longer blind
Put me in the motorcade

put me in the death parade

dress me up and take me

dress me up and make me

your dying god

Now we hold the "ugly head"

the Mary-whore is at the bed

They've cast the shadow of our perfect death

in the sun and in the dirt
