I want to wake up in your white, white sun  
I want to wake up in your world with no pain  
But I'll just suffer in a hope to die someday  
While you are numb all of the way  
When you hate it you know you can feel but  
When you love it you know it's not real  
No  
And I am resigned to this wicked fucking world  
On its way to hell  
The living are dead and  
I hope to join them too  
I know what to do and I di it well...  
When you hate it you know you can feel but  
When you love it you know it's not real  
No  
Shoot myself to love you  
If I loved myself I'd be shooting you
