Some men need some killer weed,  
Some need cocaine,  
Some men need some cactus juice,  
To purify their brain.  
Some men need two women,  
Some need alcohol.  
Everybody needs a little something,  
But lord I need it all.  
To get my rocks off,  
Get my rocks off.  
Get my rocks off the mountain and roll 'em on down.  
I may do yo one time,  
And I may do you more.  
And I may turn into somehting,  
That you ain't ready for.  
I might want your body,  
And I might want your bread.  
And I might want your mama,  
To come visit me instead.  
And get my rocks off,  
Get my rocks off the mountain and roll 'em on down.

Sometimes I dream of chicks,  
To bring me everlasting joy.  
Sometimes I dream of animals,  
Sometimes I dream of boys.  
Sometimes I kill the living,  
Sometimes I raise the dead.  
Sometimes I say just say fuck it all  
and roll back in to bed.  
And get my rocks off,  
Get my rocks of the mountain and roll 'em on down
