Is this what you wanted?

This is what you get.

Turned all your lives into this shit.

You never accepted or treated me fair

blame me for what I believe

and I wear.

You fucked yourselves and you

raised these sheep

the blue and the withered seeds

you will reap.

You never gave me a chance to be me

Or even a fucking chance just to be.

But I have to show you that

you played a role

and I will destroy you with one simple hole.

The world that hates me has taken its toll

but now I have finally taken control.

You wanted so bad to make me this thing

and I want you now to just kill the king

and I am not sorry, and I am not sorry

this is what you deserve

and I am not sorry, and I am not sorry

this is what you deserve

and I am not sorry, and I am not sorry

this is what you deserve
