give me your blood, your teeth

your high school pictures

your words can't begin to

satisfy my needs

give me your hand i'll never

give you flowers

your touch can't begin to

satisfy my...

i can't save you from me this time

you can't save you

nothing comes between you and i

don't know what you see

in my negativity

i know you know

it's one part you and three parts me

show me your scars

show me your broken mirrors

your dreams can't begin to

satisfy my...

i can't save you from me this time

you can't hide from me

can't hide whats inside, in your mind...

always has been and always will be

three parts me
