The hunger inside given to me makes me what I am

Always it is calling me, for the blood of man

They say I cannot be this I am jaded

Hiding from the day

I can't bear I cannot tame the hunger in me

Oh

I say I did and always searching

you can't fuck with me

So, instead you'll taste my pain

The hunger inside given to me makes me feel alive

Always out stalking prey

In the dark I hide

Feeling, Falling, Hating, Feel like I am fading, hating
LIFE!

They say I cannot be this I am jaded

Hiding from the day

I can't bear I cannot tame the hunger in me

Oh

I say I did and always searching

You can't fuck with fate

So, instead you'll taste my pain

You say your life I'm taking

Always bothering me

I can't take this anymore

I'm failing, always smothering me

You look down on me

Hey

What you see, take this gift from me

You will soon be ME!

Nothing seems exciting, always the same
hiding...hiidiinnngg...

It's haunting me (x5
