Through early morning fog I see  
the visions of the things to be.  
The pains that are withheld for me  
I realize, and I can see.....  
that suicide is painless  
it brings on many changes  
and I can take or leave it if I please  
The game of life is hard to play  
I'm gonna lose it anyway  
the losing card, I'll someday lay  
so this is all I have to say  
suicide is painless  
it brings on many changes  
and I can take or leave it if I please  
the sword of time will pierce our skin  
it doesn't hurt when it begins  
but as it works its way on in  
the pain grows stronger, watch it brim..  
suicide is painless  
it brings on many changes  
and I can take or leave it if I please

a brave man once requested me  
to answer questions that are key  
"is it to be, or not to be?"  
and I replied, " why ask me?"  
but suicide is painless  
it brings on many changes  
and I can take or leave it if I please  
and you can do the same thing if you please
