If I had time to kill the world I'd try

Oh no, but I'm busy

Killing me

I don't have time to build a suicide

Because the snowman melts in spring

The striper girls will not be coming back

In the summer...for me

I don't have time to even say goodbye

We are dying as winter lives

Spring

Snow melts in my lawn and I am free

Corn cob pipe and a button nose

Bottled in the ground too long

Snow melts in my lawn and I am....

If I had time to kill the world I'd try

But I'm busy

Kill is ever me

I don't have time to even say goodbye

We are dying as winter lives

Spring

Snow melts in my lawn and I am free

Corn cob pipe and a button nose

Spring
