The drugs they say make us feel so hollow

We love in vain narcissistic and so shallow

The cops and queers to swim you have to swallow

Hate today, no love for tomorrow

We're all stars now in the dope show

We're all stars now in the dope show

There's a lot of pretty, pretty ones

That want to get you high

But all the pretty, pretty ones

Will leave you low and blow your mind

We're all stars now in the dope show

We're all stars now in the dope show

They love you when you're on all the covers

When you're not then they love another

The drugs they say are made in California

We love your face

We'd really like to sell you

The cops and queers make good-looking models

I hate today

Who will I wake up with tomorrow?

There's a lot of pretty, pretty ones

That want to get you high  
But all the pretty, pretty ones  
Will leave you low and blow your mind  
They love you when you're on all the covers  
When you're not then they love another  
There's a lot of pretty, pretty ones  
That want to get you high  
But all the pretty, pretty ones  
Will leave you low and blow your mind, blow your mind  
We're all stars now in the dope show  
We're all stars now in the dope show
