The Drugs they say
make us feel so hollow
we love in vain
narcissic and so shallow
the cops and queers
to swim you have to swallow
hate today
there's no Love for tomorrow
We're all stars now in the dope show
Refrain:
There's lots of pretty, pretty ones
that want to get you high
but all the pretty, pretty ones
will leave you low
and blow your mind
We're all stars now in the dope show
They Love you when you're on all the covers
when you're not then they love another
The drugs they say
are made in california
we love youre face

we'd really like to sell you

the cops and queers

make good-looking models

I hate today

who will I wake up with tomorrow

Refrain:

They Love you when you're on all the covers

when you're not then they love another

We're all stars now in the dope show
