"The Minute Of Decay"

there's no much left to love

too tired today to hate

i feel the empty

i feel the minute of decay

i'm on my way down,i'd like to take you with me

i'm on my way down

i'm on my way down,i'd like to take you with me

i'm on my way down

(chorus)

the minute that it's born

it begins to die

i'd love to just give in

i'd love to live this lie

i've been to black and back

i've whited out my name

a lack of pain a lack of hope

a lack of anything to say

there is no curefor what is killing me

i'm on my way down

i've looked ahead and saw a

world that's dead

i guess that i am too

(chorus)

i'm on my way down,i'd like to take you with me
