Everything's been said before

There's nothing left to say anymore

When it's all the same

You can ask for it by name

Babble, Babble, Bitch, Bitch

Rebel, Rebel, Party, Party

Sex, sex, sex, don't forget the violence

Blah, blah, blah

Got your lovey-dovey sad and lonely

Stick your stupid slogan in

Everybody sing along

Babble, Babble, Bitch, Bitch

Rebel, Rebel, Party, Party

Sex, sex, sex, don't forget the violence

Blah, blah, blah

Got your lovey-dovey sad and lonely

Stick your stupid slogan in

Everybody sing along

Are you motherfuckers ready for the new shit?

Stand up and admit it, tomorrow's never coming

This is the new shit

Stand up and admit it

Do we need it? NO!

Do we want it? YEAH!

This is the new shit

Stand up and admit it

Babble, Babble, Bitch, Bitch

Rebel, Rebel, Party, Party

Sex, sex, sex, don't forget the violence

Blah, blah, blah

Got your lovey-dovey sad and lonely

Stick your stupid slogan in

Everybody sing along

Everything's been said before

Are you motherfuckers ready for the new shit?

Stand up and admit it, tomorrow's never coming

This is the new shit

Stand up and admit it

Do we need it? NO!

Do we want it? YEAH!

This is the new shit

Stand up and admit it

Now it's you-know-who

I've got the you-know-what
I stick it in the you-know-where
You know why, you don't care
Now it's you-know-who
I've got the you-know-what
I stick it in the you-know-where
You know why, you don't care
Now it's you-know-who
I've got the you-know-what
I stick it in the you-know-where
You know why, you don't care
Now it's you-know-who
I've got the you-know-what
I stick it in the you-know-where
You know why, you don't care
