She's made of hair and bone and little teeth

And thinks I cannot speak

She comes on like a crippled plaything

Her spine is just a string

I wrapped our love in all this foil

Silver tight like spider legs

I never wanted it to ever spoil

But flies will lay there eggs.

(chorus)

Take your hatred out on me

Make your victim my head

You'll never ever believe in me

I am your tourniquette

Prosthetic synthesis and butterfly

Sealed up in virgin stitches.

If it hurts baby please tell me

Preserve the innocence

I wrapped our love in all this foil

Silver tight like spider legs

I never wanted it to ever spoil

But flies will lay there eggs

(chorus)

(repeat chorus
