Go ahead (something other) and date a dead
messiah

We can dig another grave.

This is your calling

If you are hearing this, there is nothing I can do

Something has grown out of my chest.

I have seen it.

It is hard and cold.

It has been dormant for many years.

We are trying to save you, I have come to save you

This is what you deserve,

this is what we deserve

This is something we have brought upon ourselves.

We are not a victim, you are not a victim

we are not a victim, you are not a victim

God will grovel before me

God will crawl at my feet.

And the time is this

And the time is...

When you are suffering, know that I have betrayed you
