Smack dab flat on my back

The solid ground began to crack

I pulled her down and down and down

I lost my breath

I thought I'd drown

Fistfuls of you

Fistfuls of you

You pulled me through with white knuckles

Fistfuls of you

Fistfuls of you

You pulled me through with white knuckles

Her leg, my hand, a smoldering brand

Sticking to her wet body like sand

Her place, distaste, we fell from grace

Red smears across her face

Fistfuls of you

Fistfuls of you

You pulled me through with white knuckles

Fistfuls of you

Fistfuls of you

You pulled me through with white knuckles

White knuckles!

White knuckles!

White knuckles!

White knuckles
