Don't let it slip away  
or let it go  
did I crush your heart by mistake?  
I have to know  
I have to know  
What's going on in your head  
is it me who turned you down again?  
It is written on your face  
Yeah it shows  
Didn't mean to throw away  
All we know, you have to know

What's going on in your head  
Is it me who burned it down again

Oh oh oohoo  
Wanna take away from here  
Oh oh oohoo  
And wash away your fears  
But you can't stop running  
I can't get my head around  
You, You  
The fact that you're mine  
won't change a soul  
I'm reaching out my hand will I  
break the fall  
break the fall  
It's bound to go wrong, it's unfair  
Guess it's me who let you down again

Oh oh oohoo  
Wanna take away from here  
Oh oh oohoo  
And wash away your fears  
But you can't stop running  
I can't get my head around  
You, You  
Oh oh oohoo  
Wanna take away from here  
Oh oh oohoo  
And wash away your fears

But you can't stop running  
I can't get my head around  
You, You

Slow down, stop running  
Don't rush into regrets

Let me take you away from here  
And wash away your fears  
But you can't stop running  
I can't get my head around  
You, You  
Oh oh oohoo  
Wanna take away from here  
Oh oh oohoo  
And wash away your fears  
But you can't stop running  
I can't get my head around  
You, You around you you ,you
