I've got class,  
She doesn't matter  
Let's put the two to together  
You're under my thumb  
I'll rattle your bones.

How she bends  
Over the sofa  
Just like Anna Kurnikova  
She's playing it well  
Guess I'm falling in love.

Some girls gonna waste your time  
But you think, they look good walking by your side  
While you know, some girls gonna waste your time  
Yes you know, some girls gonna waste your time

She was young,  
She needed the money  
But I kept my eyes on the honey  
Fell into a trap,  
Losing control

Over time wait she went kinda loco  
Maybe a little too Yoko  
She came to my home  
And then she locked up the door.

Some girls gonna waste your time  
But you think, they look good walking by your side  
While you know, some girls gonna waste your time  
Yes you know, some girls gonna waste your time

I said hey, isn't it funny?  
You're wasting my time and my money  
You're fooling around (I'm fooling around)  
Guess I better go

Some girls gonna waste your time  
But you think, they look good walking by your side  
While you know, some girls gonna waste your time

Yes you know, some girls gonna waste your time

Some girls gonna waste your time, yeah
