how greedy greedy weh want everything
fighting a battle and you know you cyaan win

i said it cyaan work it cyaan work at all
every man fi get a cut and you waan take it all
you inna bad luck it cyaan work it cyaan work at all
every man fi get a cut and you waan take it all

some people have an attitude like is them alone
fi eat every flesh and dem fi crush every bone
but dem deh type ah behavior weh mi deh naw
condone
and such an empire should be overthrown
we put up with enough ah dem seh alms house before
ahn we naw go tolerate dem things deh no more
you have it rough we have it tough, dem know say we
ah hardcore
mek sure the future weh ah safe and secure
