1. Your best you try, to harm I and I
Aiming to kill
But I love you still
Cause you are here to make prophecy fulfill
Its Jah will
No weapon that, form against me
Desire shall not be
Divine protection shall set my soul free
Talk to me

Chorus

2. The gates of hell can never prevail
From I know Jah he never fail
What yuh think I'm gonna do, give up now?
No NO naw guh bow
My foes intact and I just smile
They dont seem to understand my style
My confidence is so high, high in Ababajonnoi

Chorus

Bum bum bum
Dis yah tune yah a bum bum bum
Dis yah tune yah a bum bum bum
Dis yah tune a bum

3. So talk your talk and laugh your laugh

That wont shiver my heart
His secret tabernacle will guide I, guide I, guide I
Guess your guess and test your test
That is in your own interest
To find out the power of the most high, most high,
most high

Chorus
