But the way you coming on made me catch an attitude  
You wanna know what the deal, but what's up with your  
grill  
Cause you ugly so please stop talking junk in my ear  
(come on)

[Blaque] (Missy)

Turn the lights off, turn the lights off (ah)  
Yeah you ugly but whoo there's some hoes in here (ah)  
Turn the lights off (oh), turn the lights off (whoo)  
Boy you ugly so whoo won't you disappear

[Blaque] (Missy)

Sorry to hurt your feelings  
Cause boy you think you are so appealing  
You keep stepping to me but we will never be  
Cause you ugly so there will be no conversating (come  
on)

[Blaque] (Missy)

Turn the lights off, turn the lights off (ah)  
Yeah you ugly but whoo there's some hoes in here (ah)  
Turn the lights off (oh), turn the lights off (whoo)  
Boy you ugly so whoo won't you disappear

[Blaque]

When the lights off, boy you look real good  
Wanna give you my number but something tells me  
don't do it  
When the lights come on and I see your face up close

[Missy]

Damn you ugly as hell and on top of that you broke as a  
joke

[Blaque]

How dare you walk up here on me like you super fine  
As long as it's dark in here you know every chick is  
mine  
Ain't no way you gon' take me home (so ugly)

[Missy]

Aah, you ugly  
Boy what that hit your face  
It must have been a can of mace  
I ain't got nothing to say  
Just two words out there, Oil of Olay  
Boy just give me some space  
Ugly is not a very good case, ah  
That outfit is just a waste, come on  
Cause it ain't doing jack for your face, come on  
That's why girls running away  
Like roaches when they hit Raid, ah  
It might be foul to say  
But it's foul for you to look that way, aha  
And I don't want your cheddar, ah  
I don't care what you say, whatever  
Cause me and you will never be, come on  
Damn, you so ugly

[Missy]

You sho' is ugly, ugly

[Natina]

Boy, you make me wanna read in Braille  
So I can't even vision gettin' love as your gift  
Here baby, let's politic  
Did your mamma let you out like this, hell  
I know you wanna do me baby  
Yeah but I'm kinda into cuties lately  
Matter of fact homeboy, let me hook you up  
Here's two bucks, go on and get your fade hitched up  
And don't mistake my statement for a clown  
We can keep it on the down low  
Long as you know, man, you ugly, oh, whoo

[Blaque]

Yeah you ugly but whoo there's some hoes in here  
Turn the lights off turn the lights off
