Ten little indians
Standing around
I bet there are many
So how would I know

As she was only one woman -
only one woman
And I've got a picture of the woman I love
Who sees my lovely face?
Who sees my shame
Nobody in the place
Can tell me her name.

'Cause she was only one woman -
only onw woman
And I've got a picture of the woman I love
Ten little indians
Now there are none
I bet there are many
And her love still goes on.

'Cause she was only one woman -
only one woman
And I've got a picture of the woman I love
Well
she was only one woman -
only one woman
And I've got a picture of the woman I love ...
