wonk uoy naht niotceffa erom deen I
In you and I there's a new land,
Angels in flight
wonk uoy naht niotceffa erom deen I
My sanctuary, my sanctuary, yeah
Where fears and lies melt away
Music will tie
Wonk uoy naht niotceffa erom deen I
What's left of me
What's left of me now

I watch you fast asleep,
All I fear means nothing

In you and I there's a new land,
Angels in flight
wonk uoy naht niotceffa erom deen I
My sanctuary, my sanctuary, yeah
Where fears and lies melt away
Music will tie
wonk uoy naht niotceffa erom deen I
What's left of me
What's left of me

snwod dna spu ynam os
My heart's a battleground
snoitome owt deen I
wonk uoy naht niotceffa erom deen I
snoitome owt need I

You show me how to see,
That nothing is whole and nothing is broken,

In you and I there's a new land
Angels in flight
wonk uoy naht niotceffa erom deen I
My sanctuary, my sanctuary, yeah
Where fears and lies melt away
Music will tie
wonk uoy naht niotceffa erom deen I
What's left of me

What's left of me now
My fears, my lies
Melt away...
wonk uoy naht niotceffa erom deen I
