"Simple And Clean"

When you walk away,
You don't hear me say,
"Please, oh baby, don't go."
Simple and clean is the way that you're making me feel
tonight,
It's hard to let it go.

Your giving me, too many things
Lately, your all I need
You smiled at me and said:

"Don't get me wrong I love you,
But does that mean I have to meet your father?
When we are older you'll understand,
What I meant when I said," 'No.
I don't think life is quite that simple.' "

When you walk away,
You don't hear me say,
"Please, oh baby, don't go."
Simple and clean is the way that you're making me feel
tonight,
It's hard to let it go.

The daily thing (like this and that and what), that keeps
us all busy
Are confusing me.
That's when you came to me and said,

"Wish I could prove I love you,
But does that mean I have to walk on water?
When we are older you'll understand
It's enough when I say so,
And maybe some things are that simple."

When you walk away,
You don't hear me say,
"Please, oh baby, don't go."
Simple and clean is the way that your making me feel
tonight,
It's hard to let it go.

Hold me,
Whatever lies beyond this morning,
Is a little later on,
Regardless of warnings the future doesn't scare me at
all,
Nothing's like before.

When you walk away,
You don't hear me say,
"Please, oh baby, don't go."
Simple and clean is the way that you making me feel
tonight,
It's hard to let it go.

Hold me,
Whatever lies beyond this morning,
Is a little later on,
Regardless of warnings the future doesn't scare me at
all,
Nothings like before.

Hold me,
Whatever lies beyond this morning,
Is a little later on,
Regardless of warnings the future doesn't scare me at
all,
Nothings like before.
