Freddie: I'm about to sing one of my songs,  
this song is called "Another One Bites The Dust".

Hey  
Give it to me

Steve walks wearily down the street  
Brim pulled way down low  
Ain't no sound but the sound of his feet  
Machine guns ready to go

Are you ready, hey, are you ready for this  
Are you standing on the edge of your seat  
Out of the doorway the bullets rip  
To the sound of the beat

Hey, yeah, yeah, yeah  
Another one bites the dust, sing it  
Audience: another one bites the dust  
And another one gone, and another one gone  
Another one bites the dust  
Hey, I'm gonna get you too  
Another one bites the dust

Ha, ha  
Hey, hey, hey

How do you think I'm gonna get along  
Without you when you're gone  
You took me for everything that I had  
And kicked me out on my own  
Are you happy, are you satisfied  
How long can you stand the beat  
Out the door way the bullets rip  
To the sound of the beat

Hey, yeah, yeah, yeah  
Another one bites the dust  
Another one bites the dust  
And another one gone, and another one gone  
Another one bites the dust

Hey, I'm gonna get you too  
Another one bites the dust

Ha  
Hey, hey  
Oh, bite the dust baby, hey  
Bite the dust baby  
Bite the dust baby  
Bite it, bite it, bite it  
Bite the dick baby, bite the dick baby  
Bite it, bite it, bite it, baby  
Get on down, ha  
Baby get on down baby  
Ooh, yeah, yeah  
Oh baby, baby yeah, yeah, yeah, yeah, right

Boogie on down  
Hey, hey, hey  
Bite it, baby bite it  
Baby bite down, bite it, baby bite down, bite it, big bite  
Hey, oh, shake  
Ah, shake on down  
Baby shake on down  
Baby, we, hey  
I'm with you, I'm ready  
Another one bites the dust  
Another one bites the dust  
Another one bites the dust  
Another one bites the dust  
Hey, yeah, yeah, yeah

There's plenty of ways that you can hurt a man  
And bring him to the ground  
You can beat him, you can cheat him  
You can treat him bad and leave him when he's down,  
yeah  
But I'm ready, yes I'm ready for you  
I'm standing on my own two feet  
Out the doorway the bullets rip  
To the sound of the beat  
Yeah, yeah, yeah, yeah  
Give it

Another one bites the dust, your turn  
Audience: another one bites the dust  
Ha, and another one gone, and another one gone  
Another one bites the dust  
Hey, I'm gonna get you too  
Another one bites the dust

Shoot out, shoot out, shoot out

Hey, hey, hey  
Alright  
Alright

Hey, yeah

Freddie: I'm in love for you anymore it was,  
and so, ladies and gentlemen,  
oh yes, so, give it up for the Jim Harver!  
I'm that somebody get song from album called:  
"News of the World", and it's called "Sheer Heart  
Attack".
