Here I stand
Look around, around, around, around, around
But you won't see me

Now I'm here
Now I'm there
I'm just a
Just a new man
Yes, you made me live again

A baby I was when you took my hand
The light of the night burned bright
The people all stared didn't understand
But you knew my name on sight

Ooh, whatever came of you and me
America's new bride to be
Don't worry babe I'm safe and sound
Down in the dungeon just Peaches 'n' me
Don't I love you so
'Cos you made me live again
Come on

Yeah
Ooh, a thin moon me in a smoke screen sky
The beams of your lovelight chase
Don't move, don't speak, don't feel no pain
With rain running down my face
Your matches still light up the sky
Many a tear lives on in my eye

Down in the city just Hoople 'n' me
Go for it
Go, go
Hey, yeah, yeah
Yeah, yeah
Go for it, go with me
Keep it out your mind, hey

Come on
Hey, ohhh yeah, yeah, yeah, yeah, yeah, yeah, yeah
