Freddie: So, always for performed is Kiki Dee!

Well, you're just 17 all you wanna do is disappear  
You know what I mean there's a lot of space between  
our ears  
The way that you touch (ad libbed lyrics)  
Hey, hey, hey, hey, it was the D.N.A  
Hey, hey, hey, hey, made me this way  
Do you know, do you know, do you know just how I feel  
Do you know, do you know, do you know just how I feel  
Sheer heart attack  
Sheer heart attack  
Real cardiac

I feel so inar-inar-inar-inar-inar-inar-inar-inar-ticulate  
Gotta feeling, gotta feeling, gotta feeling gotta  
paralyse  
It ain't no, it ain't no, it ain't no, it ain't no surprise  
Turn on the TV let it drip right down in your eyes  
Hey, hey, hey, hey, it was the D.N.A  
Hey, hey, hey, hey, that made me this way  
Do you know, do you know, do you know just how I feel  
Do you know, do you know, do you know just how I feel

Hey, baby make you feel  
Baby make you feel alright  
Hey, hey  
Baby make you feel alright  
Oooh, yeah  
Get up

Baby make you feel  
Baby make you feel alright, alright  
Oh

I feel so inar-inar-inar-inar-ticulate-ticulate-ticulate-inar-  
inar-inar-ticulate-ticulate
