Hey, oooh yeah  
Oh, yeah  
Yes, ah  
Come on  
Give it to me  
Yeah

Buddy you're a boy make a big noise  
Playing in the street be a big man some day  
Got mud on your face  
Big disgrace  
Kicking your can all over the place

Audience: we will, we will  
Rock you, tonight  
We will, we will

Buddy you're a young man, hard man  
Shouting in the street gonna take on the world some  
day  
Got blood on your face  
Big disgrace  
Waving your banner all over the place  
Come on

Audience: we will, we will  
Rock you, sing it  
We will, we will, rock

Oh  
Rock you, rock you  
Rock, rock you  
Hey, hey  
Rock with me, hey  
Yes, ah  
Rock you, rock you

Ooh, we will, we will, rock you, tonight  
We will, we will, rock you, rock you, rock you, rock you  
We will, we will, rock you, yeah  
Rock you

Freddie: Hello, everybody. Hey, hey, hey, OK. Do you know, it's not, it's not very often that we do shows in daylight, and I fucking wish we'd done before, I can see you all now. And there's some beauties here tonight, I can tell you. On with the show, this is Action.
