It's a kind of magic  
A kind of magic

One dream, one soul, one prize, one goal  
One golden glance of what should be  
It's a kind of magic  
One flash of light that shows the way  
No mortal man can win this day  
It's a kind of magic  
The bell that rings inside your mind  
Is challenging the doors of time

The waiting seems eternity, yeah  
The day will dawn of sanity  
Is this a kind of magic  
It's a kind of magic  
There can be only one  
This rage that lasts a thousand years  
Will soon be done

This flame that burns inside of me  
I'm hearing secret harmonies  
It's a kind of magic  
The bell that rings inside your mind  
Is challenging the doors of time  
I told you

Everybody, hey  
Hey

This rage that lasts a thousand years  
Will soon be, will soon be, will soon be gone

This is a kind of magic  
There can be only one, one, one, one  
This rage that lasts a thousand years  
Will soon be done  
Done

Hey  
Everybody

Magic, magic, magic, magic

This rage that lasts a thousand years  
Will soon be, will soon be, will soon be, will soon be  
Will soon be done  
Will soon be done  
Yeah
