Hey
Give it to me

Steve walks wearily down the street
Brim pulled way down low
Ain't no sound but the sound of his feet
Machine guns ready to go

Are you ready, hey, are you ready for this
Are you standing on the edge of your seat
Out of the doorway the bullets rip
To the sound of the beat

Hey, yeah, yeah, yeah
Another one bites the dust, sing it
Audience: another one bites the dust
And another one gone, and another one gone
Another one bites the dust
Hey, I'm gonna get you too
Another one bites the dust

Ha, ha
Hey, hey, hey

How do you think I'm gonna get along
Without you when you're gone
You took me for everything that I had
And kicked me out on my own
Are you happy, are you satisfied
How long can you stand the beat
Out the door way the bullets rip
To the sound of the beat

Hey, yeah, yeah, yeah
Another one bites the dust
Another one bites the dust
And another one gone, and another one gone
Another one bites the dust
Hey, I'm gonna get you too
Another one bites the dust

Ha
Hey, hey
Oh, bite the dust baby, hey
Bite the dust baby
Bite the dust baby
Bite it, bite it, bite it
Bite the dick baby, bite the dick baby
Bite it, bite it, bite it, baby
Get on down, ha
Baby get on down baby
Ooh, yeah, yeah
Oh baby, baby yeah, yeah, yeah, yeah, right

Boogie on down
Hey, hey, hey
Bite it, baby bite it
Baby bite down, bite it, baby bite down, bite it, big bite
Hey, oh, shake
Ah, shake on down
Baby shake on down
Baby, we, hey
I'm with you, I'm ready
Another one bites the dust
Another one bites the dust
Another one bites the dust
Another one bites the dust
Hey, yeah, yeah, yeah

There's plenty of ways that you can hurt a man
And bring him to the ground
You can beat him, you can cheat him
You can treat him bad and leave him when he's down,
yeah
But I'm ready, yes I'm ready for you
I'm standing on my own two feet
Out the doorway the bullets rip
To the sound of the beat
Yeah, yeah, yeah, yeah
Give it

Another one bites the dust, your turn
Audience: another one bites the dust
Ha, and another one gone, and another one gone
Another one bites the dust
Hey, I'm gonna get you too
Another one bites the dust

Shoot out, shoot out, shoot out
Hey, hey, hey
Alright
Alright

Hey, yeah
