Here I stand  
Look around, around, around, around, around  
But you won't see me

Now I'm here  
Now I'm there  
I'm just a  
Just a new man  
Yes, you made me live again

A baby I was when you took my hand  
And the light of the night burned bright  
The people all stared didn't understand  
But you knew my name on sight

Whatever came of you and me  
America's new bride to be  
Don't worry baby I'm safe and sound  
Down in the dungeon just Peaches 'n' me  
Don't I love him so  
Yes, you made me live again

Yeah  
Ooh, a thin moon me in a smoke screen sky  
Where the beams of your lovelight chase  
Don't move, don't speak, don't feel no pain  
With the rain running down my face  
Your matches still light up the sky  
And many a tear lives on in my eye  
Down in the city just Hoople 'n' me

Don't I love him so

Whatever comes of you and me  
I love to leave my memory with you

Now I'm here  
Think I'll stay around, around, around, around  
Down in the city just you 'n' me
