We're gonna tear it up
Stir it up
Shake it up, baby
Tear it up
Shake it up
Make it up, as you go along
Tear it up
Start it up
Wake it up, baby
Tear it up
Shake it up
Make it up, and you can't go wrong

Give me your mind baby give me your body
Give me some time baby let's have a party
Ain't no time for sleeping baby
Soon it's round your street I'm creeping
Better be ready

Tear it up
Stir it up
Wake it up, baby
Tear it up
Shake it up
Make it up, as you go along

Tear it up
Stir it up
Wake it up, baby
Tear it up
Shake it up
Make it up, yeah, yeah, yeah, yeah

Oh yeah
Baby, baby, baby, are you ready for love, oh yeah
Oooh, are you ready for me, oh yeah
I love you so near, I love you so far
Come on little baby you're driving me ga ga
