i'm thinkin of a master plan
na i'm lyin shawty on my mind
shawty like a fryin pan
and i aint got nothin but sweat inside my hands
so i give it to my (?) all my money is spent
but i don't need a cent
cause shawtys priceless
i tell her like this
i been all around the world
so baby i can take you
all around the world
ok i roll up
this is a hold up
its young money mayne
shawty make me smile when there aint anythin funny
but still aint nothin move with the money
so if we move then we move with the money
fish is my favorite dish
but if i taste you that would probably switch
and then we would probably switch
now i'm off on a treat this one is

When I had you to myself, I didn't want you around
Those pretty faces always make you stand out in a crowd
But someone picked you from the bunch, one glance is all it took
Now it's much too late for me to take a second look

Oh baby, give me one more chance
(To show you that I love you)
Won't you please let me back in your heart
Oh darlin', I was blind to let you go
(Let you go, baby)
But now since I've seen you it is on
(I want you back)
Oh I do now
(I want you back)
Ooh ooh baby
(I want you back)
Yeah yeah yeah yeah

(I want you back)
Na na na na

Trying to live without your love is one long sleepness
night
Let me show you, girl, that I know wrong from right
Every street you walk on, I leave tear stains on the
ground
Following the girl I didn't even want around

Let me tell ya now
Oh baby, all I need is one more chance
(To show you that I love you)
Won't you please let me back in your heart
Oh darlin', I was blind to let you go
(Let you go, baby)
But now since I've seen you it is on

All I want...
All I need...
All I want!
All I need!

Oh, just one more chance
To show you that I love you
Baby baby baby baby baby baby!
(I want you back)
Forget what happened then
(I want you back)
And let me live again!

Oh baby, I was blind to let you go
But now since I've seen you it is on
(I want you back)
Spare me of this cost
(I want you back)
Give me back what I lost!

Oh baby, I need one more chance, hah
I'd show you that I love you
Baby, oh! Baby, oh! Baby, oh!
I want you back!
I want you back!
[Fade out]
