Verse 1

Well I've been hangin' outta town, Lord in that low down
rain
Watchin' good time Charle friends is a drivin' me
insane
Up on shadey Charlotte Street both the green lghts look
red
I wish I was back home on the farm Lord in my feather
bed

Chorus

And I got myself a rockin' chair
To see if I could lose
These thin dime hard time
Hell on Church Street blues

Verse 2

I found myself a picker friend that read yesterday's
news
I folded up page 21 and stuck it in my shoe
I gave me a nickel to the poor my good turn for the day
I folded up my old billfold and threw it far away

(Chorus)

Verse 3

Well I wish I had some guitar strings Old Black
Diamond brand
I'd string up this old Martin box and go and join some
band
But I guess I'm gonna stay right here and pick and sing
a while
Try to make me a little change and give those folks a
smile

(Chorus)x2
