Bob Dylan

Perhaps it's the color of the sun cut flat uncovering
the cross roads I am standing at
Or maybe it's the weather or something like that but
babe, you've been on my mind.

I am not asking you to say words like "yes" and "no",
please understand me. I've got no place for you to go.
I'm just breathing to myself,
pretending not that I don't know. Babe, you've been on
my mind.

Even though my mind is hazy and my thoughts, they
might be narrow,
Where you been? Don't bother me or bring me down in
sorrow
It don't even matter to me where you're waking up
tomorrow.
Babe, you've been on my mind.

When you wake up in the morning,
baby, look inside your mirror,
you know I won't be next to you. You know I won't be
near.
I'll just be curious to know if you can see yourself
as clear as someone who has had you on his mind.
(Repeat 1st verse.)

Babe, you've been on my mind.
