"Chilly Winds"

I'm goin' where them chilly winds don't blow
Gonna find a true love that is where I want to go
Out where them chilly winds don't blow

Sing your song, sing it soft and low
Sing it for your baby and then I'll have to go
Out where them chilly winds don't blow

Wish I was a headlight on a westbound train
I'd shine my light on cool Colorado range
Out where them chilly winds don't blow

If you're feelin' lonely, if you're feelin' low
Remember that I loved you more than you will ever
know
Goin' where them chilly winds don't blow

I'm leavin' in the springtime, won't be back till fall
If I can forget you, I might not come back at all
Out where them chilly winds don't blow
Out where them chilly winds don't blow
Out where them chilly winds don't blow
