John Stewart

I was hopin' that you'd come to me.
It's plain that I can see that you are cryin', yes, you are
cryin'.
Yeah, I have often lied to cover up my pride and I
have hurt you, yes, I have hurt you.
Let us be together as we face this stormy weather.
Gaze on other heavens. Don't you cry. Don't you cry.
I have other friends. I think that they're the end,
but I just love you. I just love you.
It goes on and on, longer than a song and I will need
you. I will need you.
Let us be together as we face this stormy weather.
Gaze on other heavens. Don't you cry. Don't you cry.

La, da,da,da,da,da,da,da,da,da, wheeeeeee yeah.
Let us be together as we face this stormy weather.
Gaze on other heavens. Don't you cry. Don't you cry.

I was hopin' that you'd come to me.
It's plain that I can see that you are cryin', yes, you are
cryin'.
Yeah, I have often lied to cover up my pride and I
have hurt you, yes, I have hurt you.
Let us be together as we face this stormy weather.
Gaze on other heavens. Don't you cry. Don't you cry.
Oh, don't you cry. Oh, don't you cry. Oh, don't you cry.
