Ruby, oh, Ruby  
Honey, are you mad? Honey, are you mad?  
Honey, are you mad at your man?

Well, I'm goin' downtown, gonna get me a jug of  
brandy  
Gonna give it all to Mandy, keep her drunk and boozy  
Good drunk and boozy, good drunk and boozy all the  
time

Well, if you say so, then I'll railroad no more  
I'll just hang around your shanty  
Hang around your shanty, hang around your shanty all  
the time

Ruby, oh, Ruby  
Honey, are you mad? Honey, are you mad?  
Honey, are you mad at your man?

Oh well, I'm walkin' on down, till my shoes are getting'  
ragged  
But you get me down to Nashville  
Get me down to Nashville, get me down to Nashville,  
Tennessee

Honey, are you mad? Honey, are you mad?  
Honey, are you mad at your man?  
Ruby, oh, Ruby  
Come on home
