If you don't want, you don't have to get in trouble
If you don't want, you don't have to get in trouble
Hey, you'd better leave my woman alone

Well, I know you are a playboy
And you've got your women all over town
Well, listen, buddy, if you ever sweet talk my little girl
I'm gonna lay your body down

If you don't want, you don't have to get in trouble
If you don't want, you don't have to get in trouble
Hey, you'd better leave my woman alone

Well, I know you've got your money
And you've got a new convertible, too
But if I ever see my little girl in your little car
I'm gonna do some work on you

If you don't want, you don't have to get in trouble
If you don't want, you don't have to get in trouble
Hey, you'd better leave my woman alone

Well, I don't believe in trouble
So I don't want to start a fight
So if you take heed and stay away from my little girl
Well, everything will be alright

If you don't want, you don't have to get in trouble
If you don't want, you don't have to get in trouble
Hey, you'd better leave my woman alone
