John Stewart

I was born in Portland town.
I was born in Portland town. Yes, I was. Oooh, yes, I was.
October third, I'm on my way.
October third, I'm on my way. Yes, I am. Oooh, yes I am.

Rains came the very next day but I been gone to long.
There's a gal in Portland town and she sings a marryin'
song.

Goin' back to Portland town.
Goin' back to Portland town. Yes, I am. Oooh, yes, I am.

I'll have children, one, two,
three. I'll have children, one, two, three. Yes, I will.
Oooh, yes, I will.

I was born in Portland town.
