Have you heard of the ship called "The Good Ruben James?"

Armed by hard-fighting men both of honor and of fame
She flew the Stars and Stripes of the land of the free
But tonight she's in her grave at the bottom of the sea

CHORUS

Oh, tell me what were their names?, tell me what were their names?

Did you have a friend on The Good Ruben James?

Oh, tell me what were their names?, tell me what were their names?

Did you have a friend on The Good Ruben James?

One hundred men went down to their dark and watery grave

When that good ship went down, only forty-four were saved

Was the last day of October, they saved forty-four
From the dark, icy waters of that cold Iceland shore

CHORUS

It was there in the dark of that cold and watery night
They watched for the U-boat and they waited for a fight
Then a whine and a rock and a great explosion's roar
They laid the Ruben James on the cold ocean floor

CHORUS

Many years have passed since those brave men are gone

Those cold icy waters, they're still and they're calm

Many years have passed and still I wonder why

The worst of men must fight and the best of men must die

CHORUS
