You and I can share the silence,  
finding comfort together the way old friends do.  
After fights and words of violence we make up with  
each other the way old friends do.  
Times of joy and times of sorrow we will always see it  
through. (Ooh)  
I don't care what comes tomorrow we can face it  
together  
the way old friends do.  
You and I can share the silence,  
finding comfort together the way old friends do.  
And after fights and words of violence we make up with  
each other the way old friends do.  
Times of joy and times of sorrow we will always see it  
through. (Ooh)  
I don't care what comes tomorrow we can face it  
together  
the way old friends do.  
We can face it together the way old friends do.
