Hallucinate the devil now he's living in my basement
I can't stand to suffer thunder It makes me wonder
What the fuck is going on, What the fuck has put me

I mean, am I dead? Am I Jesus on the cross?
The blood drip's down from my eye's unholy ghost
I can't stop thinking to myself am I skits frantic,
I'm in a panic, I can't believe in god cause I'm so
satanic
I'm hearing voices in my head, In my head, In my head,
In my head
Yes I wish I was fucking dead, I'm having visions of a
crucifix
I think I'm reverend and now I want to go to heaven, Kill
the motherfucker
But than they left me in the gates, Fuck them gates,
Burn them gates down to the fucking ground while I
masturbate
I'm on the A-C-I-D seeing hallucinations my god
