the devil masturbates
in my fucking brain

(verse 1 - kapitol g)

my visions blurry (blurry)
they say i'm insane (insane)
they say that evil (evil)
lives in side of my brain (my brain)
having thoughts of death (death)
controlling my health (your health)
i pray to god at night
when i try to rest
sticks and stones (stones)
they're breaking all my bones
all the names that you've called me
have nearly left me alone (lone)
sitting all by myself (myself)
thinking to myself (myself)
am i better off dead? (better off dead)
hanging high from my belt
suicidal provisions (haha)
have left an incision (hahaha)
i came close to death (death)
having devil invisions (visions)
so delt me a heaven
but still you can't tell
will i rest in peace?
will i burn in hell!?

(time will tell if im going to hell)

sick in my brain
psycho sick!
burn in the flames
time will tell...

(verse 2 - Curt D.)

goddamn another moment
triple 6 my toilets full of blood over flowin
i killed this bitch and put her head in my freeza
i cut out her eyes and gave them to her friend that was
a skeeza
tumer comes into my dong
buttnaked on her grave dancin in the fog full moon
can't you feel the fuckin bass boom
you souls what i felt to fuckin consume
i cut her pinky off and put it around my neck
laughed at your families' tears your lifes a wreck
psycho sick wicked wicked wicked mentality
oh yea you're fucked i took her fuckin virginity
necronomicon i went through the seven gates
she crossed my path i was hurt by the plague
took out her soul and eyes to control in hell
i spit at the guards in my prison cellllllll

(time will tell if im going to hell)

will i go to hell?
psycho sick!
feel my body burn
time will tell..

(verse 3- kapitol g)

time to improve my life
but it only gets worse (much worse)
i got me a job
i was a shofer to drive a hearse (hearse)

i was a sick motherfucka (sick motherfucka)
cut nipples off dead women
after i'd open their lips
and fill their mouth up with semen (ahh)
i'd put their hand on my dick (my dick)
and i'd jerk off alone (hahaha)
then i'd drop off their bodies
on the side of the road
now i'm loosing my mind (my mind)

doin time inside the pen (oh shit)
