(Hook)

I am sick, I am wicked,
I will make you all my victims!
I am hate, I am vicious,
I will kill all Christians,
I am life, I am death,
I will steal your holy breath!
I am Satan, I am evil, I will kill God's people!

(Verse 1)

All these voices in my head are telling me to kill,
They say I'm better off dead, and so I kill at will,
I can not stop all this Hate, all decisions deserted,
I see a church I'ma burn it I see a cross I'ma turn it,
My mind is flip sided to the other side, Homicide
suicide,
Somebody died, Mother fuck right,
I can not stop mass murder, I'll murder your mass,
You go to church, I'll pass,
Some people say that I pray all day and fuck the
Christian way,
And the prayers they pray, Mother fuck you,
Cause your next on my hit list, My shit list,
Right next to the Baptist hail Hitler,
My mind is sick and demented,
I broke all your God damn commandments,
Son of Satan, They say that I'm evil
And I was sent here to kill god's people

(Hook)

I am sick, I am wicked,
I will make you all my victims!
I am hate, I am vicious,
I will kill all Christians,
I am life, I am death,
I will steal your holy breath!
I am Satan, I am evil, I will kill God's people!

(Verse 2)

Thou shall not kill Jesus Christ, I use his name in vain,
And all disciples do the same,

Kill god's people just to kill off the pollution,
Religious hypocrites is the unGod revolution
Motherfucker,
I'm having visions of decapitation, mutilation,
The psycho sick is the nation soap opera, relation
Persuasion,
My mind is sick, fuck a Baptist or a catholic,
Fuck a rat bitch on a blood stained mattress,
I don't give a flying fuck about the stench in my trunk,
Got these dead bitches bumping to this wicked funk,
And every time I see a nun, I pull the trigger on the
gun,
6 shots in the head is she dead, What?
And what about the holy priest? Is he dead and
deceased?
Or is he just another victim of the G-O-D?
Cause I can always take his place and try to preach my
evil,
And tell the world we could all kill God's people!

(Hook)

I am sick, I am wicked,
I will make you all my victims!
I am hate, I am vicious,
I will kill all Christians,
I am life, I am death,
I will steal your holy breath!
I am Satan, I am evil, I will kill God's people!

(Verse 3)

I'm having visions of a dead body on a cross,
Blond hair and blue eyes, Now her life is lost,
I sacrificed her life, and she was teaching religion,
My sac religion division already made my decisions,
I had to kill her and close her mind,
Two at a time, she was baptized at birth, and cursed
tithing for nickels and dimes,
I tried to stop, but she married inside of a church,
And then the church got burnt,
Some people say that I masturbate to the virgin Mary's
pictures all day,
And I can't get a job, and my life is worthless, burnt
Church's,
And spread unholy 6 curses 66 and another 6 on my
wrist,
Suicidalist homicidalist Jesus Christ you can not stop all
of my evil,
I was sent here to kill all God's people!

(Hook)

I am sick, I am wicked,
I will make you all my victims!

I am hate, I am vicious,
I will kill all Christians,
I am life, I am death,
I will steal your holy breath!
I am Satan, I am evil, I will kill God's people!
