Killa4real, I'm a killa  
Killa4real, I'm a killa  
Killa4real, I'm a killa  
Killa4real, I'm a killa  
Killa4real, I'm a killa  
Killa4real, I'm a killa  
Killa4real, I'm a killa

(Verse 1)

Killa4real, I can killa  
bodies that float in the river  
Sights that will make you go shiver  
Maggots that feast on a liver  
Mamma she's saying she's praying  
Mamma's been missing for days  
And blood on the pavements still staining  
Smell of her body decaying  
I can not feel me no pain  
Ever regretting the slaying  
Killing for fortune and fame  
Not for the fact I'm insane  
Innocent women are dying  
Numbers of dead multiplying  
Ask if I did it I'm lying  
Serial Killers denial  
Searching for victims or bitches  
Rolling through towns of the richest  
Make them respect all my wishes  
Leaving them bodies in ditches  
I like the fear in there eyes  
Watching there tears as she cries  
Hoping she'll only survive  
Naked her legs open wide  
I go inside and she screams  
Pains felt inside of her dreams  
Head lights are shining the beam  
She can not see what I see  
I see a bitch i'ma kill  
Pain deep inside and she feels

Killa4real, I'm a killa  
Killa4real, I'm a killa  
Killa4real, I'm a killa  
Killa4real, I'm a killa  
Killa4real, I'm a killa  
Killa4real, I'm a killa
