Man I hope your all stoned for this one  
(hahaha)

(Verse 1)

Goodbye my rats you fucking bitch  
(She is possessed by the devil)  
I hope you enjoyed sucking on my dick  
(You want this)  
Your nothing but a greasy slut  
(What you have destroyed in here)  
You know you liked it in the but  
And now your throat is fucking cut  
Goodbye my rats come lick my nuts  
(What do you want from me)  
Your dirty cunt that I just want to fuck  
(hahahaha)  
I'd fuck you hard and say goodbye  
(Somebody help me)  
I'd stick my gun into your eyes  
And pull the trigger and hope you die  
Die, Die, Die you fucking bitch, Die

(Let's sing)

We had joy we had fun  
We had seasons in the sun  
But the hills that we climb were just seasons out of time

(Verse 2)

Goodbye my fans it's hard to die  
(Hahahaha)  
With battery acid burning in my eyes  
(Oh shit)  
You've all been delmed as psycho sick  
(Sick)  
So lite the bong and take a hit  
You had to know some day I'd quite  
Goodbye my fans I have to die  
(Kill the priest)  
I tried to explain but only god knows why  
(Shoot him, Shoot him)  
I never wanted to go far

So lets get drunk inside this bar  
I am the Ungod super star

(Hook)

(Let's Sing)

We had joy we had fun

We had seasons in the sun

But the wine and the song like the seasons

Have all gone. (X4)
